

Welcome First-Grade Parents,

Woo Hoo! Here's to another great year in first grade! Get ready for a lot of fun!

The following are some tips to help us start out on the right track.

If you choose to send a water bottle for your child, please make sure it contains water only. Please keep it simple with no straws. Juice pouches, Gatorade and other flavored drinks are fine for lunch. Remember, no sodas are allowed at anytime.

We have a snack break every morning. Please send a **nutritious** snack for your child to eat. Cookies, candy, cupcakes and other desserts may be enjoyed at lunch.

One of the ways we communicate is through the planner. Part of the students' homework expectation is to get **the planner signed by the parent every time it comes home**. Your signature is telling us that you have seen what is expected for homework that night.

Sincerely,

Your First- Grade Team
